Paper Clip Project

January 1st-31st

January 27th is International Holocaust Remembrance Day. Inspired by the book, *Six Million Paper Clips: The Making of a Children's Holocaust Memorial* by Dagmar Schroeder-Hildebrand and Peter W. Schroeder; the Center Point Library would like to invite residents to participate in a county wide project to collect paper clips to represent the lives that were lost during the Holocaust. In effort to create a visual display that will inspire us to understand the importance of tolerance, participants are encouraged to attach paper clips to any size project board along with a picture of a loved one who may have fought in WWII. Students that participate are encouraged to write a brief description of how they intend to combat prejudice, apathy and indifference.

Center Point Library will be collecting and displaying these projects for the entire month of January. Participants will need to include their name and HOW MANY paperclips were used in their project.

New Books on the Block

Just Arrived
