## **Blood Pressure Clinic Friday, September 22 11am – 2pm**

The Coordinating Council for Independent Living, Inc. is proud to sponsor a free blood pressure clinic at the Center Point Library September 22, 2017 for the citizens of Doddridge County. The clinic will be operative from 11am to 2pm inside the library with our area registered nurses and marketing staff in attendance to take blood pressures, talk to individuals regarding their health care needs, make referrals as necessary, and give information about our current direct care worker classes occurring monthly in the area (we are currently hiring). Come out and see us and pick up free goodies for your healthcare needs while you're there!! For more information please call Jennifer Ballard at (304)-549-4553.
